5. [ ] - GLC) After raising with the Director the question of a response to the inquiries DOD has received from Senator Thurmond (R., S.C.) about the "special collection" of the Penkovsky papers, I advised Mr. Stuart French, of ISA, that the Director did not want these papers released and did not want the inquiries referred to the Agency. I suggested to French that if they had further problems with this, the matter should be passed to the Secretary of Defense, who could contact the Director if he wished. French said he thought there would be no problem in their handling this but asked for our suggestions on how to phrase the reply. I told him I would check on this and be back in touch with him.
